

MR  
OLC #78-1728/11

25 May 1978

NOTE FOR FILE

I called Jack Brady, Chief of Staff, House International Relations Committee, and told him that I heard that John Stockwell, former Agency employee, would be appearing before the House International Relations Subcommittee on Africa (chaired by Representative Charles Diggs (D., Mich.)), and I assumed he would share my concern if an official committee of the Congress was used as a forum to perpetuate the open disclosure of classified information as I understand Stockwell has admitted he has done previously.
